

Sujata Dayal

Sujata Dayal, is an innovative senior executive with over 20 years of experience working within Fortune 500 medical technology and life sciences companies. In her capacity as global chief ethics and compliance officer she has lead and evolved large global teams.

Having begun her career as a transactional and regulatory attorney before working in compliance, Sujata has had roles of increasing responsibility at companies such as Abbott Laboratories, Biomet, Johnson & Johnson and Medline Industries. She has led Enterprise Risk Management, promotional review, privacy, anti-corruption, and U.S. and non-U.S. healthcare laws and regulations.

Sujata is experienced in the development, implementation, and oversight of international compliance programs, both building out new programs and enhancing existing ones. She has implemented and managed corporate integrity agreements and deferred prosecution agreements. Sujata has drafted Codes of Conduct and policies and procedures, developed training and monitoring programs, conducted risk assessments and monitoring, and created and managed a global third-party due diligence program.

Sujata earned an LL.M degree from Columbia University Law School and a JD from Chicago Kent College of Law. She also has an undergraduate degree from Lady Shri Ram College, New Delhi and an LL.B from Rajasthan University
