

Colleen Doyle, ACFE

Colleen Doyle is the Senior Director of Compliance and Risk Insights at Sage Therapeutics. She leads Sage's Enterprise Risk Management program, compliance audits and corporate investigations. Prior to Sage, Colleen was the head of financial investigations at a top-tier university and built out their continuous auditing and monitoring program. She also worked in various roles in the pharmaceutical industry, including Internal Audit, Quality Assurance, Marketing and FP&A. She began her career at KPMG in New York's Audit and Forensic practices, performing financial statement audits, investigations, and fraud risk management assessments. Colleen is a Certified Internal Auditor and Certified Fraud Examiner.
