

Eva Gardyan-Eisenlohr

Eva Gardyan-Eisenlohr is serving as Global Chief Compliance Officer of Olympus Corporation, Tokyo, Japan, reporting to the group CEO. She leads to global GRC, privacy and information security function as Senior Vice President. Eva is based in Tokyo, Japan, and Berlin, Germany. She understands and guides business models in medtech and pharma to preserve trust, manage risks, grow economically and protect ethical values. Digitizing, legal, compliance and privacy functions, and their clients experience is one of her passions. Intercultural leadership with her team of approximately 160 FTE globally, with a pronounced focus in Asia, is a daily joy and desired challenge.
