

## **Michael Hercz, JD**

Michael has over twenty-five years of diverse life sciences legal, regulatory, compliance and risk management experience. He currently serves as General Counsel and Chief Compliance Officer of Sentynl Therapeutics, Inc., a U.S.-based biopharmaceutical company focused on bringing innovative therapies to patients living with rare diseases. Prior to Sentynl, Michael served in senior roles at Deloitte & Touche (Managing Director), Victory Pharmaceuticals (VP and Chief Compliance Officer), and Amgen Inc. (Executive Director). He also practiced at Akin, Gump, Strauss, Hauer & Feld LLP and Hooper, Lundy & Bookman Inc. where he represented exclusively life sciences and healthcare entities. He earned his B.A. from the University of Pennsylvania and his J.D. from the University of Southern California.
