

Christine Moundas, MPH, JD

Christine Moundas is a partner in the firm's health care practice group. She is also a co-head of the firm's digital health initiative and actively participates in the data, privacy & cybersecurity group. Christine provides strategic, regulatory, compliance, and transactional advice to health care clients, including health systems, hospitals, academic medical centers, long-term care providers, pharmaceutical companies, digital health companies, and investors. As part of her practice, Christine also counsels' clients on privacy, security and breach matters, and focuses on emerging issues in the digital health space.
